

### How Reading Karate works

Read with, or in the presence of an adult and get them to **sign your reading record**.

One read is **at least 4 pages** of a book and you can only get one read a day signed off.

Bring your **signed reading record** into school and show a grown-up. The adults will record your progress towards your next 'belt'.

After 20 reads, you will become a WHITE BELT reader, receive your first wristband to keep and your score will reset as you work towards your next level belt. You will then work your way up through the bands by reading the set amount. Grown-ups at school will keep a record of how many times you read and it will be recorded in your reading record. Try to recommend books which you enjoy to your friends to encourage them towards their belts too!

All progressions through the belts will be celebrated in our whole school display. There will be small additional reading-themed prizes when children achieve their Green and Black wristbands.

Good luck!
