

Mathematics

Year 1 – We will be starting the term learning about place value of numbers up to 20. We will then learn about adding and subtracting larger numbers.

Year 2 – We will be learning about multiplication and division to start the term and then moving onto using that knowledge with fractions.

PSHE

This term we will be looking at our Aspirations, Dreams and Goals. Discussing perseverance, determination, dealing with challenge and realistic goals.

English

We will start the term learning about writing letters – Year 1 will learn to use description and conjunctions and Year 2 will be learning to be persuasive! We will be using the book 'Dear Greenpeace' to help us with this.

After that, we will be writing stories that are set in a familiar place then learning all about labels, lists and captions. Our work will be based upon the book 'The Tiger who came to tea'

History

We will be learning to investigate what our village was like on the past. We will use a range of sources to discover how and why our world is wonderful thanks to the past. We will be learning about what houses and schools were like in the past. We may even be reenacting a Victorian school day...

What makes our world wonderful?

D&T

We will be designing and making a pouch using joining and decorating techniques. We will be cutting, gluing and sewing fabrics.

P.E.

We will be learning to create, assess, improve and perform gymnastics routines. We will be perfecting our travelling and jumping skills.

Science

Year 1 - We will be learning about plants, identifying parts of a plant, learning how seeds grow and the difference between deciduous and evergreen.

Year 2 – We will be learning about plants, learning about the life cycle of plants, what plants need to grow and how they adapt to their environment.

Computing

We are learning about how and why we use computers to create word processing documents. We will then use these skills to write a letter/email based on our work in English.

Religious Education

This term we will be learning about what it means to be a Muslim. We will be learning where Muslims worship? Be able to recognize and describe the significance of particular objects and places to Muslims.

Music

We will be answering the question: How does music make our world a better place? We will be learning to sing a variety of songs as well as improvise, compose and perform using glockenspiels.
